

Adapt ORG084 trays (sold separately) for ORG085:

Carefully snap off and discard break-away tabs.

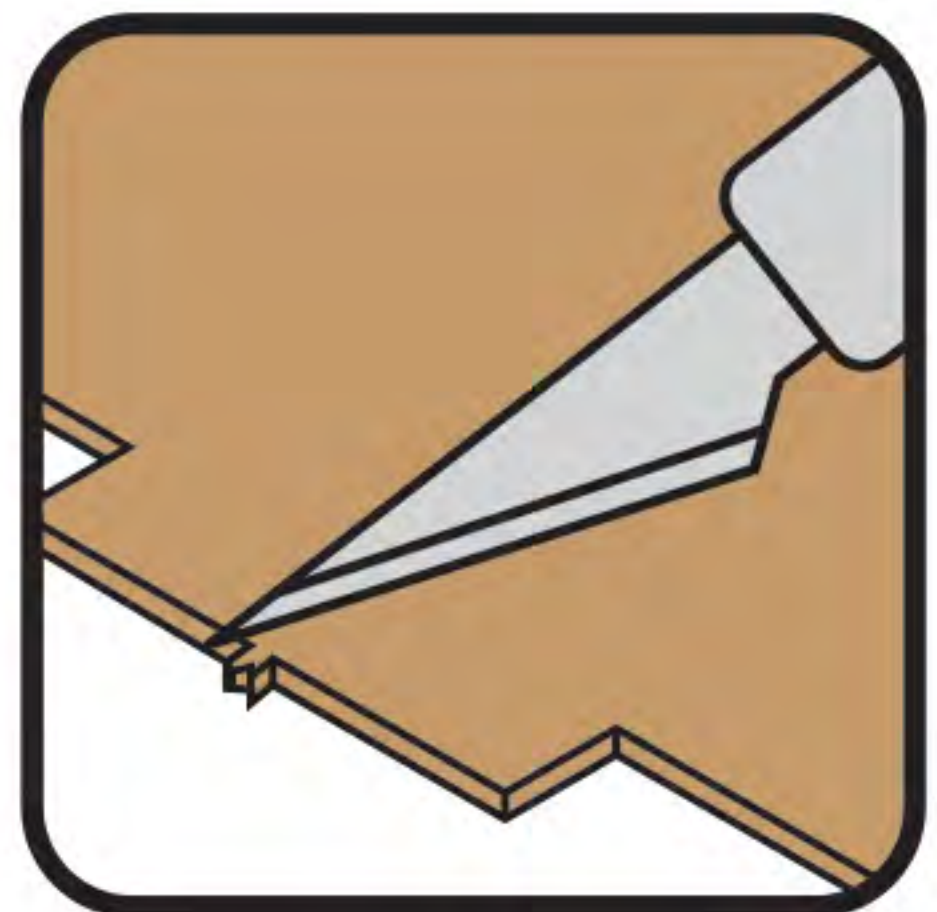

Pliers recommended.

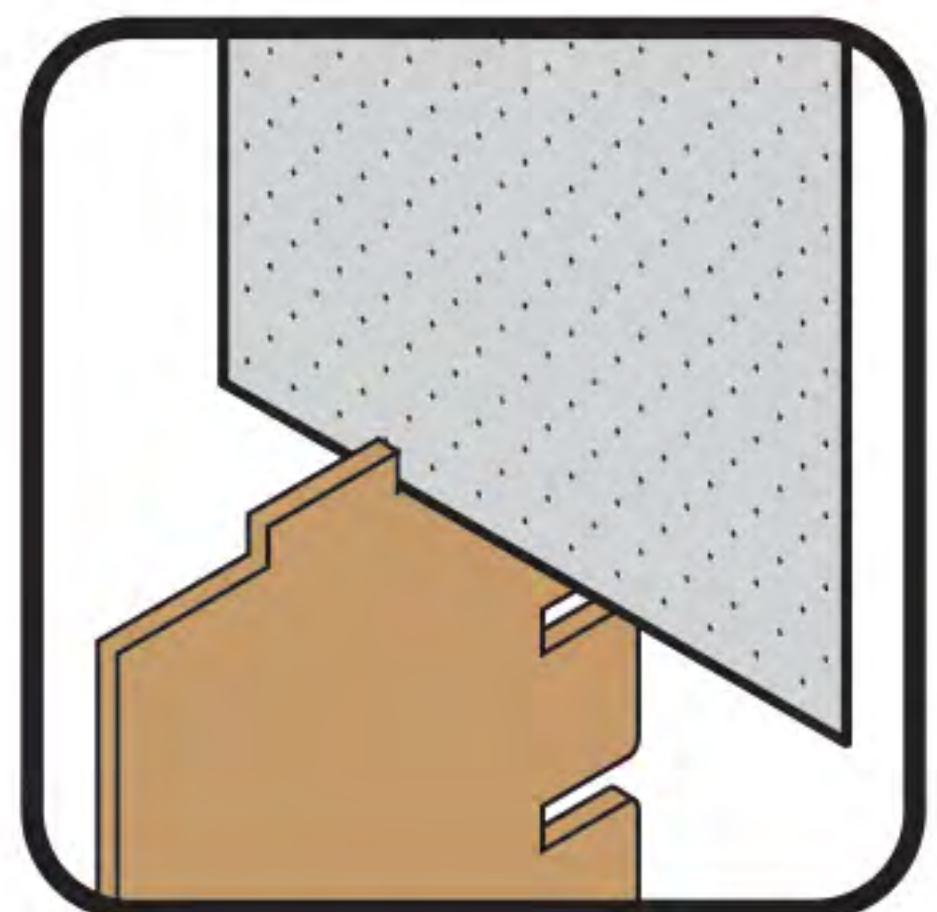

Assembly Tips and Tricks

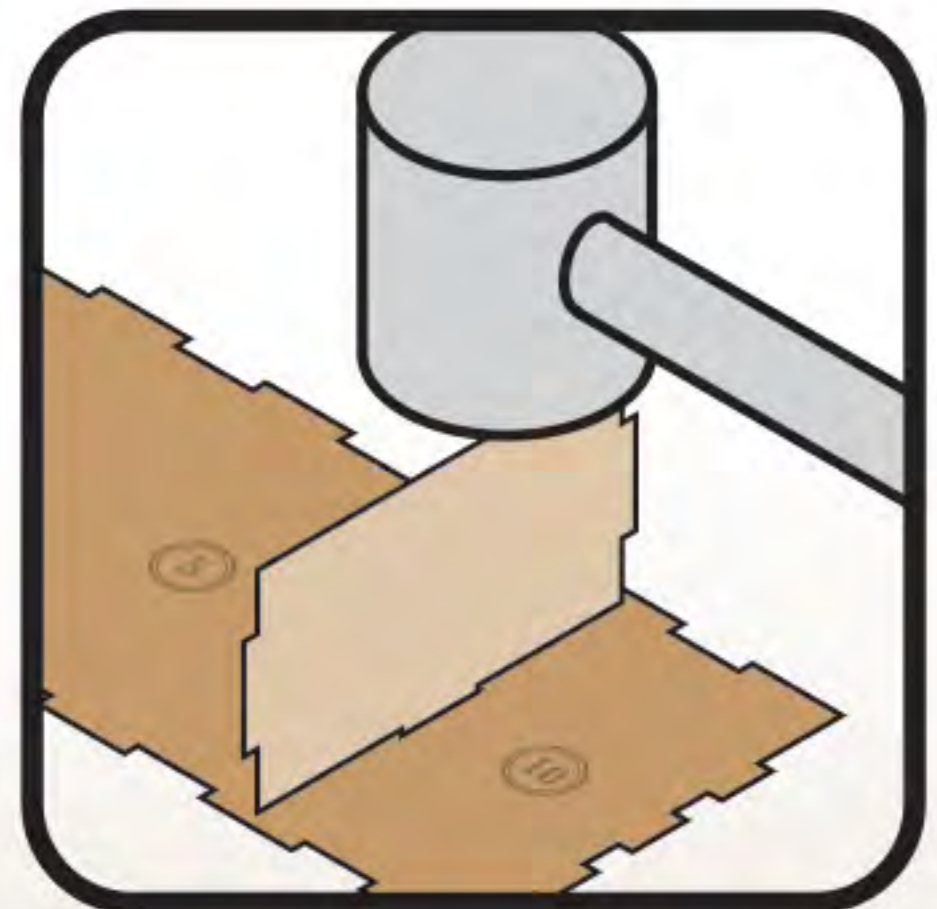

Remove parts from the frame by rotating them back and forth until they break free.

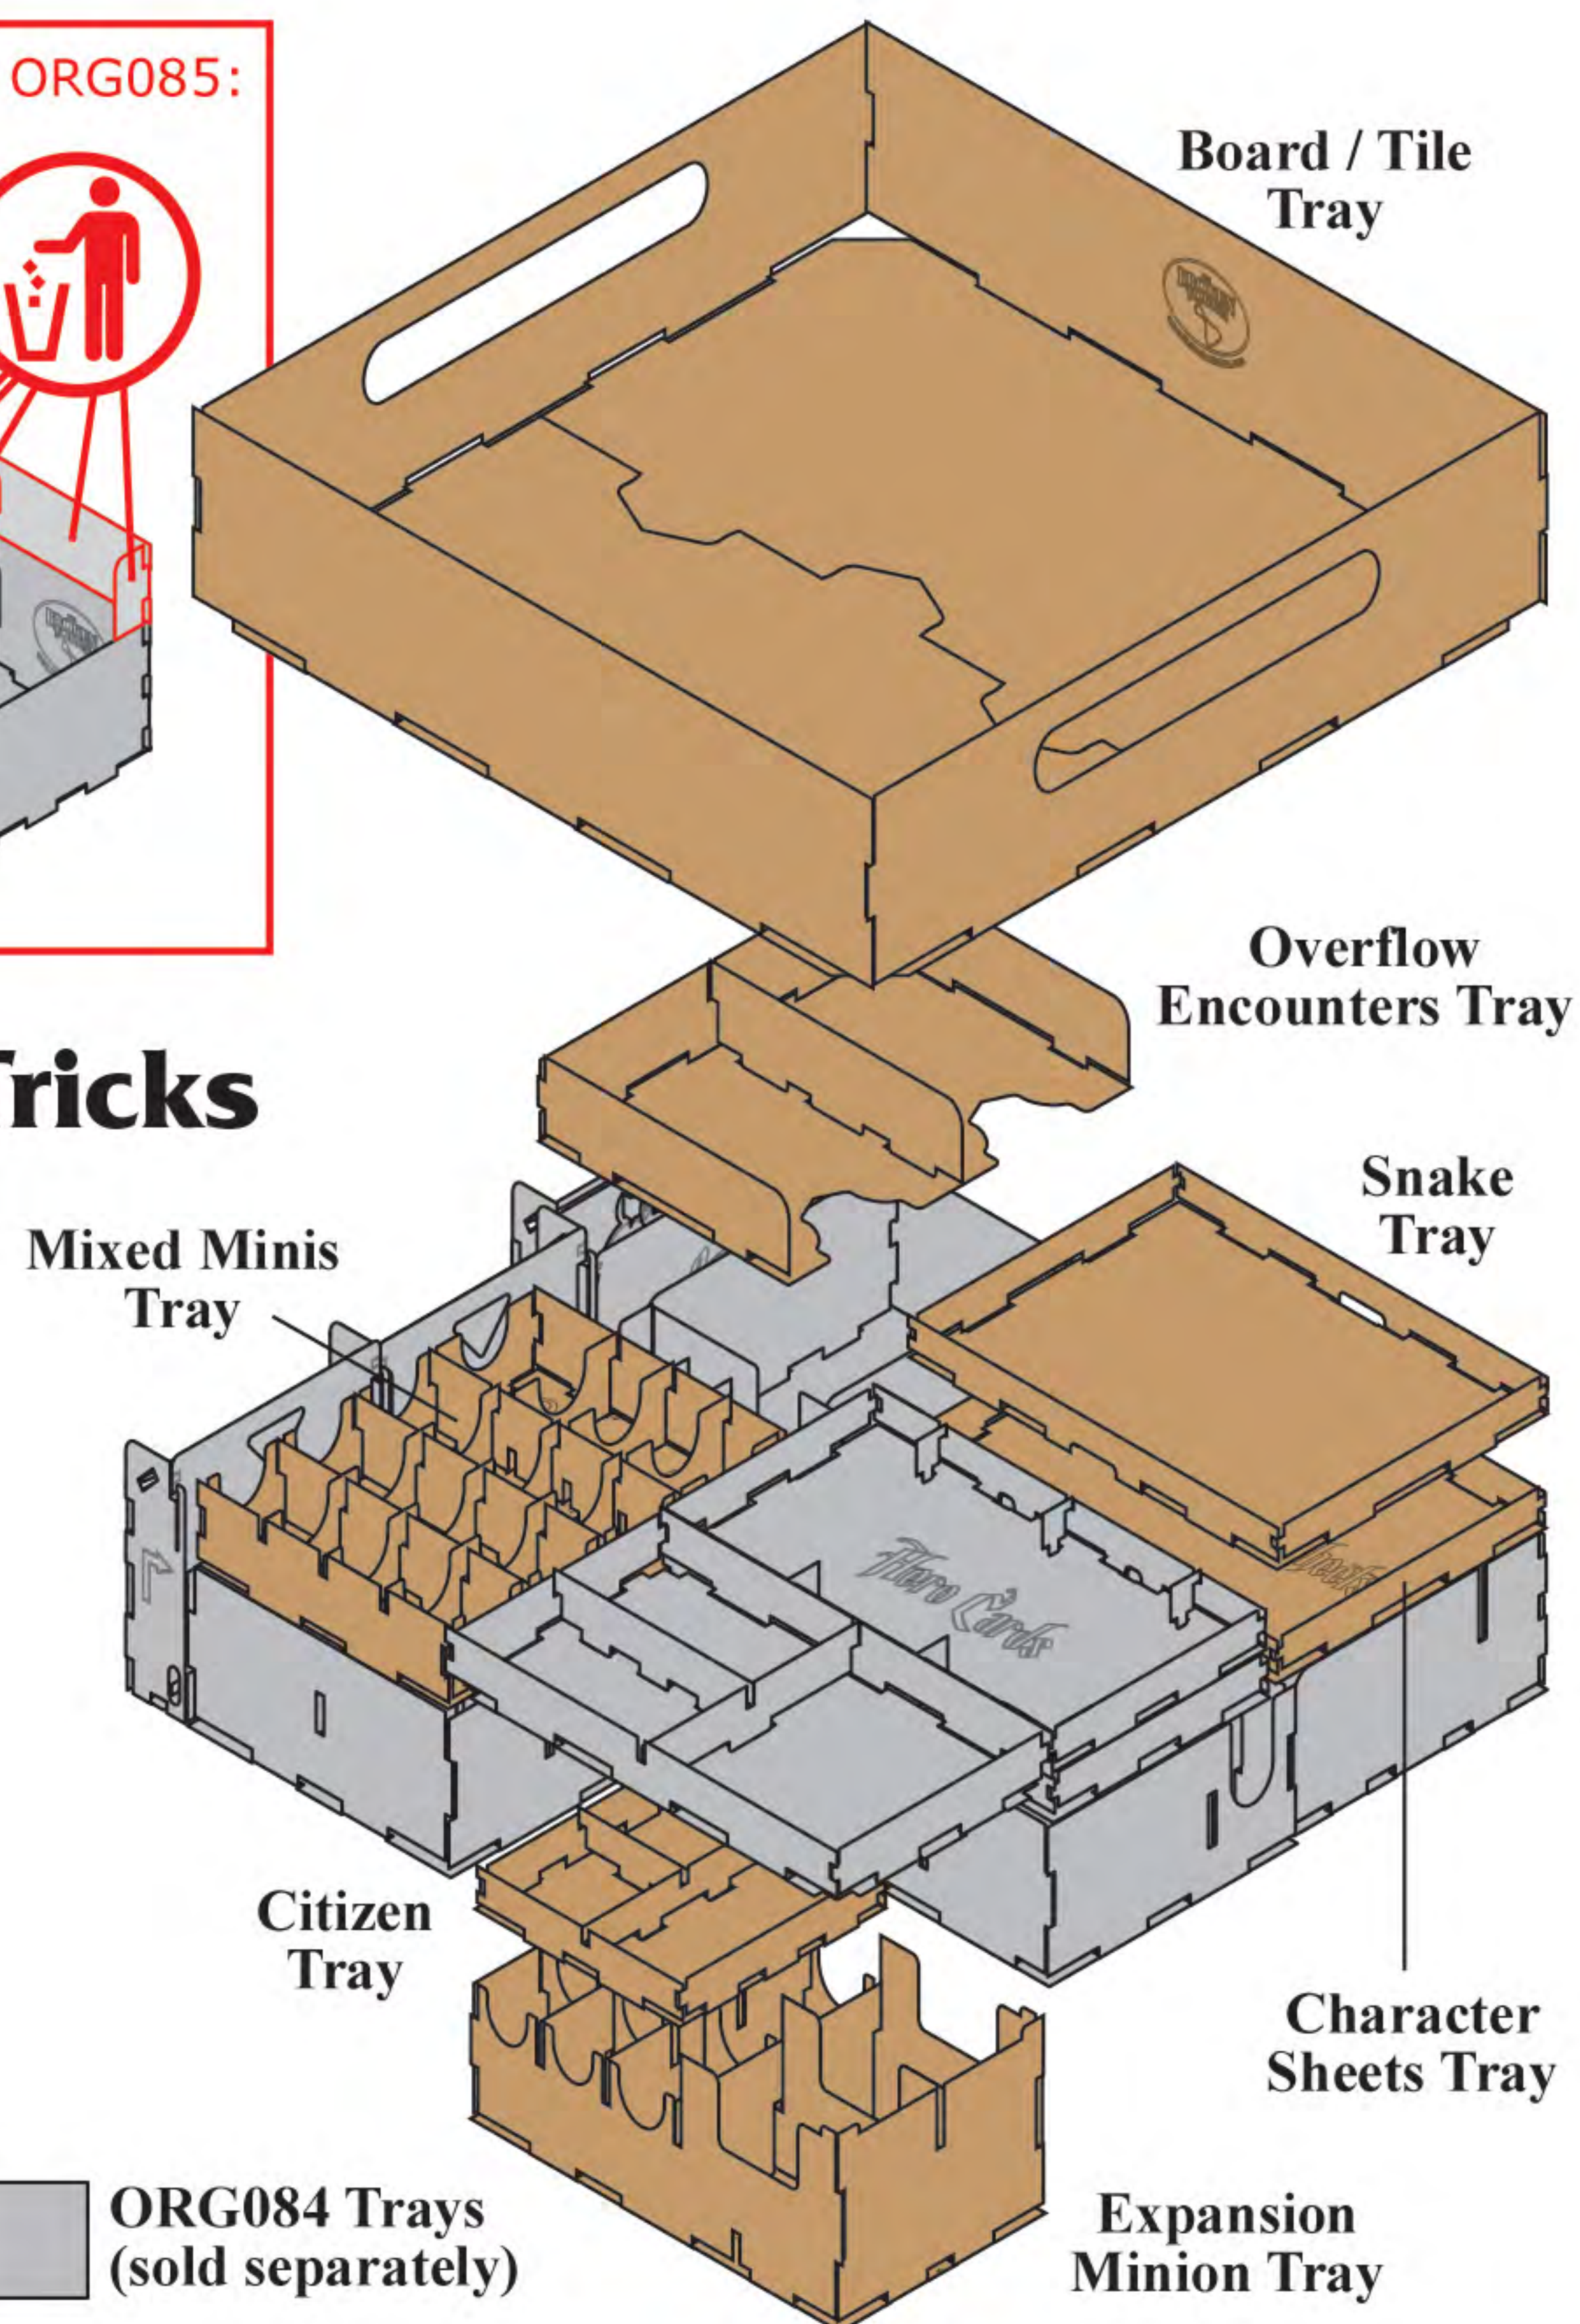

Trim off any excess wood with a hobby knife.

Tight pieces can be sanded, or trimmed with a hobby knife, to create a better fit.

Gently tap pieces together with a mallet, hammer or other blunt object.

ORG084 Trays (sold separately)

Loose pieces may be assembled with a small amount of wood glue.

We recommend using glue for any removable trays or parts that are handled frequently.
